

# Ash, Elm, & Oak

**Sites 300-322**

All sites are non-electric

No on-pad water hook-ups

Non-reservable sites: 302, 303, 304 and 305

## Inclement weather:

- Shower buildings and restrooms are NOT storm shelters. However, the brick facilities offer a degree of protection against heavy storms.
- In the event of a Tornado Warning, seek shelter below ground level (ditch/culvert).
- A weather radio is located at the shower building. Periodically check local stations when sites are threatening.

## In Case of Emergency:

- Dial 911
- Directions to area hospitals are located at fee hootls and shower buildings
